

E-MAIL FOR SHORT-TERM COMPARISONS

SUBJECT: Can Short-Term FIA's increase your sales?

Short-term FIA's are performing at an all time high! These are great products to use to replace old out dated products. This is a great way to market for new prospective clients. You can get them in products that contain some of the newer amazing index crediting methods. Check out the attachment to see a list of high-performing short-term FIA's. To have us run a list in your state give us a call. We have the tools and the knowledge to help you grow your business!
