

E-MAIL FOR INCOME RIDER PRODUCTS

SUBJECT: The Income Rider Revolution has begun! Are you prepared?

By now you have seen the new FIA Income Rider Products that offer no guaranteed roll-ups, but instead, above average growth to establish a high-income producing account. The success of these products is 100% dependent on the growth of the index accounts! The question is, how can we compare them? The attached report will do just that! You will see each month, updated back-testing that will help you keep your clients in the best possible income producing products ever invented! Call us today for a specific quote on your next income case.
