

## ***E-MAIL FOR INDEX SPECIFIC REPORTS***

SUBJECT: In love with a particular index? Check this out!

We hear all the marketing from the carriers about all these new indices. Wall Street is getting involved in the Fixed Index Annuity space at a record pace! The question becomes, who is utilizing these indices with the best FIA crediting? We have the answer! Look at the attached report. We can run a comparison based on a specific index family. Call us today so we can generate a report on your favorite index!
